

# Summer's coming!

## Are you ready?

Friday, February 26, 2010

Dear Parents/Guardians,

As we quickly approach the close of the third quarter, it is essential that we begin to look ahead and plan for the upcoming summer months. Thus, St. Anthony Catholic School, in an attempt to assist you with this process, is also in the planning stages for the summer. This summer, St. Anthony Catholic School will be hosting a four-week Academic Summer school beginning on June 21, 2010. This program has been in existence for six years and is designed to serve rising 3rd through 8<sup>th</sup> graders who may be in need of additional academic support or simply looking for academic growth through summer school enrichment. We will be offering assistance in Reading, English, and Mathematics. Please be advised that, as stated on page 31 of the St. Anthony School Handbook, **"Students who do not pass an academic subject for the year will be required to attend an approved academic summer school and receive satisfactory marks in order to be promoted. (PLEASE REVIEW PAGE 31 FOR FURTHER DETAILS)."** If you are interested in enrolling your child in this four-week school/enrichment program, please **indicate your interest by completing the form below and returning it to the St. Anthony school office no later than Thursday, March 11, 2010**. I thank you in advance for your time, attention and prompt response. I look forward to working with you this summer!

Ms. Y. Moore  
(2<sup>nd</sup> grade Teacher)
