

✝ As you evaluate your reasons for choosing Catholic education, here are 5 things you can do to support your child and partner with your school.

- * Know your school principal.
- * Know and communicate with your child's teacher.
- * Volunteer at your child's school.
- * Participate in school programs and family events.
- * Support the school's rules and regulations.

Most importantly, support your child's religious formation by regularly praying and attending Mass as a family. ✝ FaithFirst.com
